IHDB Terms of Use Agreement

NOAA Incident History Database (IHDB) Terms of Use Agreement

General Use Rules:

When using this site, you are responsible for maintaining the confidentiality of your account and password and for restricting access to any computer from which you access the IHDB.

You agree to accept responsibility for all actions that occur under your account and password.

You may not transfer or assign your IHDB account to any other person or entity.

Data Entry Rules:

Only manual data entry is permitted within the IHDB; machine log-ins to the system are not allowed. Exceptions to these data entry rules must be authorized by NOAA and must meet Government IT security requirements.

I have read and agree to the IHDB Terms of Use
